1 The above results were reviewed by the Audit Committee and taken on record by the Board of Directors at their respective meetings held on February 02, 2017.

2 The Results of the quarter ended 31st December, 2016 have been subjected to a "Limited Review" by the Statutory Auditors of the Company.

3 The Statutory Auditors in their Report on the Standalone Financial Statements for the year ended on March 31, 2016 have qualified their opinion as regards Receivable of ₹ 1359.51 Lakhs in respect of Commodities Trading Transaction done on NSEL .

The Managements reply is stated here under.

An amount of ₹ 1,359.51 Lakhs (Net of ₹ 93.61 Lakhs recovered till date) is outstanding as receivable in respect of Commodities Trading Transactions done on National Spot Exchange Limited (NSE). The Company has filed a representative suit in the Hon'ble Bombay High Court for recovery of the same. Time limit for Ministry of Corporate Affairs (MCA) to pass Order under Section 396 of the Companies Act, 1956 is further extended to February 10, 2017. In the meanwhile various decrees have been passed by the High Court of Bombay against defaulters, including sale of commodities and assets is also in process. Various agencies including Economic Offence Wing and Enforcement Directorate are also in process of liquidating assets of defaulters. However considering uncertainties involved in making any reliable estimate of amount recoverable, provision if any will be considered at an appropriate time on the basis of resultant outcome. Until then the dues are considered as good.

4 The Company has a long term Investment of ₹ 1500.00 Lakhs in Equity Shares of Modern India Property Developers Limited (MIPDL), a wholly owned subsidiary of the Company. As per Audited Accounts of MIPDL, there is accumulated loss of ₹ 558.03 Lakhs as at March 31, 2016 During the current 9 months period MIPDL has incurred Loss of ₹ 134.24 Lakhs. In view of the long term and strategic nature of investment, plans for new business initiatives and other ensuing business activity, the management is of the opinion that diminution in value of investment is temporary in nature and hence no provision is considered necessary in respect of the same.

5 Tax expense comprises of current tax and deferred tax.

6 Figures for the previous quarters / Year have been regrouped and / or rearranged wherever considered necessary.

To,
The Board of Directors,
Modern India Limited,

Re: Limited Review of the unaudited financial results for the quarter ended December 31, 2016

1. We have reviewed the accompanying statement of unaudited financial results of **Modern India Limited** ('the Company') for the quarter ended on December 31, 2016 and the year to date results for the period April 1, 2016 to December 31, 2016. This statement is the responsibility of the Company's Management and has been approved by the Board of Directors. Our responsibility is to issue a report on this Statement based on our review.
2. We conducted our review in accordance with Standard on Review Engagements (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This Standard requires that we plan and perform the review to obtain moderate assurance as to whether the statement of financial results is free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provide less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
3. An amount of ₹ 1359.51 Lakhs is outstanding as receivable as at the end of the current quarter in respect of commodities trading transaction done on National Spot Exchange Limited (NSEL). The company has filed a representative suit in the Mumbai high court for recovery of dues alleging fraud by the Chairman and CEO of holding company of NSEL and certain key persons. No provision has been made against the receivable in view of pending outcome of the legal suit and resolution of other uncertainties involved in this case. We are therefore unable to obtain sufficient appropriate evidence to verify the carrying amount of the recoverable & consequently unable to determine whether any adjustment to this amount is necessary.
4. Based on our review conducted as above, and subject to matters mentioned in para 3 above, nothing has come to our attention that causes us to believe that the accompanying statement of unaudited financial results prepared in accordance with applicable accounting standards notified under section 133 of the Companies Act, 2013 read with rule 7 of Companies (Accounts) Rules 2014 and other recognized accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 including the manner in which it is to be disclosed, or that it contains any material misstatement.

5. We draw attention to Note no. 4 of published results, wherein despite accumulated loss of ₹ 692.27 Lakhs as on 31st December, 2016, in its subsidiary namely Modern India Property Developers Limited (MIPDL), no provision is considered necessary in the Company's long term investment of ₹1500 Lakhs in MIPDL as in the opinion of the management the diminution in value of investment is temporary in nature.
