Notes:

- The above Results have been reviewed by the Audit Committee and approved by the Board of Directors of the Company at its Meeting held on 19th June, 2020. The Statutory Auditors have Audited the result for the quarter and year ended March 31, 2020.
- This statement has been prepared in accordance with the Companies (Indian Accounting Standards) Rules, 2015 (Ind AS), prescribed under section 133 of the Companies Act, 2013, and other recognized accounting practices and policies to the extent applicable.
- The figures of the quarter ended March 31, 2020 are the balancing figures between the audited figures in respect to the full financial year and the published figures of nine month ended December 31, 2019, which were subject to Limited review by the Statutory Auditors.
- The Company has adopted Ind AS 116 on "Leases" with effect from April 1, 2019 by using modified retrospective approach and accordingly, comparative information for the year ended March 31, 2019 has not been restated. The company has recognized and measured Right-of-Use (ROU) Assets and the lease liability over the remaining lease period and payment discounted using the incremental borrowing rate as at the date of initial application. This has resulted in recognizing ROU assets of Rs. 798.38 Lac and corresponding lease liability of Rs. 798.38 Lac as at April 1, 2019. In the results for the quarter ended and the year ended March 31, 2020, the nature of expenses in respect of operating leases has changed from lease rent in previous years to depreciation for the ROU assets of Rs. 61.44 Lac and Rs. 245.75 Lac and finance cost for interest accrued on lease liability of Rs. 16.05 Lac and Rs. 64.29 Lac respectively. The effect of adoption of Ind AS 116 on the results and earnings per share for the quarter and year ended March 31, 2020 are not material. Segment results have been arrived after considering interest expense on lease liability.
- In view of Ministry of Textiles, Government of India's Gazette Notification number CG-DL-E-15012020-215423 dated January 14, 2020, the Company during the current quarter reversed the Merchandise Export from India Scheme (MEIS) benefit of Rs. 223.41 lac for the period from March 07, 2019 to December 31, 2019 in the financial results and has reduced the same from the amount of revenue from operations.
- Impact of Covid-19 Pandemic**
"Due to COVID-19 outbreak, Government of India declared lockdown on March 24, 2020 and the Company temporarily suspended the operations in all the units of the Company in compliance with the lockdown instructions issued by the Central and State Governments. COVID-19 has impacted the normal business operations of the Company by way of interruption in production, supply chain disruption, unavailability of personnel, closure/lock down of production facilities etc. during the lock-down period. However, production and supply of goods has commenced for Yarn and Fabric Division on April 24, 2020 and Garment Division on May 11, 2020 after obtaining permissions from the appropriate government authorities.
The Company has considered the possible effects that may result from the COVID 19 situation on the carrying value of its assets comprising property, plant and equipment, intangible assets, right of use assets, investments, inventory and trade receivables. Based on current indicators of future economic conditions, the Company expects to recover the carrying amount of these assets. The situation is changing rapidly giving rise to inherent uncertainty around the extent and timing of the potential future impact of the COVID-19 which may be different from that estimated as at the date of approval of these standalone results. The Company will continue to closely monitor any material changes arising of future economic conditions and impact on its business."
