INDEPENDENT AUDITORS' REPORT

Financial statement of MODERN INTERNATIONAL (VIETNAM) COMPANY LIMITED for the 06 months period and fiscal year ended March 31, 2022

To: THE BOARD OF MANAGEMENT
THE BOARD OF DIRECTORS
MODERN INTERNATIONAL (VIETNAM) COMPANY LIMITED

We have audited accompanying financial statements of MODERN INTERNATIONAL (VIETNAM) COMPANY LIMITED (hereinafter called "the Company"), were prepared on May 05, 2022 as set out on pages from 5 to 18, including balance sheet as of March 31, 2022, income statement and statement of cash flows for the 06 months period, and fiscal year ended at the same day, and Notes to the financial statements

Board of Director's Responsibility for the Financial Statements

Board of Director is responsible for the preparation of these financial statements in accordance with Vietnam Accounting Standard and Vietnam Accounting Regime, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error; select and apply suitable accounting policies; and make accounting estimate reasonably for each case.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Vietnam Standards on Auditing. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Production, operating and other expenses are recorded in Income statement when they decreased future economic benefits related to decreasing assets or increasing payable and value of the expenses should be determined reliable.

The expenses are recorded in matching of income and expenses.

6. Taxation

Income tax expense represents the sum of the tax currently payable and deferred tax.

The tax currently payable is based on taxable profit for the year. Taxable profit differs from net profit as reported in the income statement because it excludes items of income or expense that are taxable or deductible in other years (including loss carried forward, if any) and it further excludes items that are never taxable or deductible.

The Company's corporate income tax expense is calculated using tax rate that have been affected at the date of preparing the balance sheet.

Deferred tax is recognized on significant differences between carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit and is accounted for using balance sheet liability method. Deferred tax liabilities are generally recognized for all temporary differences and deferred tax assets are recognized to the extent that it is probable that taxable profit will be available against which deductible temporary differences can be utilized.

Deferred tax is calculated at the tax rates that are expected to apply in the period when the liability is settled or the asset realized. Deferred tax is charged or credited to profit or loss, except when it relates to items charged or credited directly to equity, in which case the deferred tax is also dealt with in equity.

The determination of the tax currently payable and deferred tax is based on the current interpretation of tax regulations. However, these regulations are subject to periodic variation and their ultimate determination depends on the results of the tax authorities' examinations.

Other taxes are paid in accordance with the prevailing tax laws in Vietnam.

7. Related parties

Parties are considered to be related if one party has the ability to control the other party or exercise significant influence over the other party in making financial and operating decisions.
